## DETAILED ACTION

1. An Amendment was filed 10/24/05 in which Claims 18-30 were cancelled.
2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

**Claim 12** is rejected under 35 U.S.C. 102(b) as being anticipated by Hillman 4445587.

Hillman discloses a motorcycle 10 comprising

Frame 12, front 18, and rear 20, wheels, seat (unidentified, inherent),

Radiator 26 mounted to the frame, and disposed between the engine and rear wheel (fig 2), such that an uppermost portion of the radiator is lower than an uppermost portion of the rear wheel (figs 1 and 2).

### 3. ALLOWABLE SUBJECT MATTER

- a. **Claims 13-17** are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Prior art does not disclose the invention described above further comprising, *inter alia*, a rear swing frame pivotally connected to a front frame.
- b. **Claims 1-11** are allowable because prior art does not disclose a motorcycle comprising, *inter alia*, a radiator mounted to a rear swing frame, and disposed between an engine and the rear wheel (Claim 1).

Art Unit: 3611

4. RESPONSE TO REMARKS

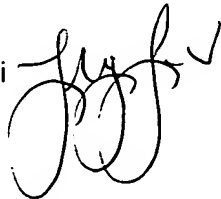

Examiner has provided a rejection for Claim 12, and apologizes for the inconvenience. Applicant is asked to note remaining allowable subject matter.
